**Agreement Between the City of Unalaska
And
PSEA-Department of Public Safety**

PREAMBLE

This Agreement is made and entered into by and between the City of Unalaska, Alaska, for its Public Safety operation, hereinafter referred to as the “Employer”, and the Public Safety Employee’s Association, hereinafter referred to as the “Union”. The purpose of this Agreement is to set forth the understanding reached between the Parties with respect to wages, hours of work and conditions of employment.

ARTICLE 1 – RECOGNITION AND SCOPE OF AGREEMENT

The City recognizes, during the term of this Agreement, the Union as the sole and exclusive bargaining representative for the Department of Public Safety non-temporary employees performing work covered by the classifications set forth in this Agreement. This Agreement does not apply to temporary employees. A temporary employee is an employee who does not receive retirement, health or personal leave benefits from the City and/or who works 120 or fewer days per year.

ARTICLE 2 – UNION SECURITY

2.1 It shall be a condition of employment that all employees of the Employer covered by this Agreement who are members of the Union in good standing on the date this Agreement is executed shall remain members in good standing, and those who are not members on the date this Agreement is executed shall, on the thirty-first (31st) day following the date this Agreement is executed, become and remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after the date this Agreement is executed shall, on the thirty-first (31st) day following the beginning of such employment become and remain members in good standing in the Union. "Good standing," as used in this Article, shall mean that the employee has paid or has authorized payment of the uniform initiation fees and regular monthly dues uniformly required for membership in the Union.

2.2 The dismissal of any employee for failure to comply with the provisions of this Article shall be on written notice from the Union to the Employer and employee, setting forth the reason for the delinquent status and allowing thirty (30) calendar days from receipt of such notice to bring their membership into good standing.

2.3 The Union agrees to save harmless from and indemnify the Employer from any liability that might arise from any acts of the City which result from its adherence to the requirements for dismissal in accordance with this Article.

2.4 The parties incorporate the provisions of AS 23.40.225 safeguarding the rights of non-association employees having bona fide religious convictions on tenants or teachings of a church or religious body. The Union agrees to provide representation to all bargaining unit members whether or not they are members of the Union.

2.5 The Employer shall provide the Union with a written notice of all additions to the unit and all separations from the unit. Such notice shall include the employee's name, class title, location, and the date of such action. This written notice shall be transmitted to the Union within fifteen (15) days of the action.

ARTICLE 3 – CHECK-OFF OF UNION DUES AND INITIATION FEES

3.1 The Employer agrees to deduct from the wages of employees who voluntarily request in writing on a legal form provided by the Union, fees uniformly required pursuant to the provisions of Article 2 and those contributions otherwise designated by the employee for purposes of supporting the Union's Political Action Committee.

3.2 The total amount of such deductions shall be transmitted at least once a month by the Employer to the Local Union by check drawn to the order of the Local Union.

3.3 Upon the issue of such check and transmission of same to the Union, all responsibility on the part of the Employer shall cease with respect to any amount so deducted, providing the deduction is in accordance with the Union dues requirement which the Union shall furnish to the Employer. The Union hereby agrees to defend, indemnify and hold harmless the Employer from any claim that may be made against the Employer for or on account of any such deduction from the wages of any employee.

ARTICLE 4 - NONDISCRIMINATION

There shall be no discrimination because of Union membership or lack thereof, race, color, religion, sex, age, national origin, physical handicap, marital status, changes in marital status, pregnancy or parenthood in accordance with current statutes. Where the masculine or feminine gender is used in this Agreement it is used solely for the purpose of illustration and shall not be construed to indicate the gender of any employee or job applicant.

ARTICLE 5 - MANAGEMENT'S RIGHTS

The Employer retains the right to manage the affairs of the City and to direct its work force. Unless otherwise specifically provided in this Agreement, nothing shall limit the Employer in the exercise of rights of Management. The City reserves all rights granted to it by the Alaska Public Employment Relations Act, unless such right has been waived by an express provision or provisions of this Agreement. All of the functions, rights, powers and authority of the City not specifically abridged, delegated or modified by this Agreement are recognized by the Union as being retained by the City. The City's failure to exercise a management right does not preclude the City from exercising it at some time in the future.

ARTICLE 6 - DISCIPLINARY ACTIONS

The Employer retains the right to discipline and/or discharge an employee for just cause. Progressive discipline principles shall be followed where appropriate. The Employer agrees to notify the designated Union representative of the reason of such discipline as outlined in Article 7.3, and/or discharge. If the Union fails to grieve any disciplinary action within fourteen (14) calendar days of the receipt of the notification by the Union, the right to grieve or arbitrate such action is forfeited. This Article does not apply to probationary or temporary employees. The City may discipline and/or discharge probationary and temporary employees at any time for any reason.

ARTICLE 7 - GRIEVANCE PROCEDURE AND ARBITRATION

7.1 A grievance is defined as any disagreement between the City and the Union involving an alleged violation, misinterpretation, or misapplication of this Agreement.

7.2 The grievance and arbitration procedures provided for herein shall constitute the sole and exclusive method of adjusting all grievances.

7.3 A. The Employer shall furnish a written copy of disciplinary actions involving suspension, demotion, or termination and the reasons for such disciplinary action to the Union within 48 hours.

B. Upon the Union's request, with the member's written approval, the Employer shall furnish a written copy of disciplinary actions involving warnings, reprimands, or any other permanent record that is included in the employee's personnel file and the reasons for such disciplinary action to the Union.

7.4 A. Individual reprimands or performance evaluations are not subject to the grievance and arbitration procedure. The employee receiving a written reprimand or performance evaluation shall be entitled to submit a rebuttal letter which will be attached

to the reprimand or evaluation when placed in the personnel file. An employee receiving a less-than-satisfactory evaluation has the option of meeting with the Department Director provided the employee requests a meeting within fourteen (14) days of receipt of the final evaluation.

B. An employee who receives a less than satisfactory evaluation shall receive a re-evaluation no later than six months after the unsatisfactory evaluation. If the employee then receives a satisfactory re-evaluation, the employee shall be eligible for any merit benefits.

7.5 During the initial probationary period, employees are precluded from grieving any disciplinary action, including termination.

7.6 It is the intent of this grievance procedure to settle all disputes or complaints at the lowest level possible. The City and the Union will make every reasonable effort to informally resolve the grievance.

Step 1: In the event that such complaint or dispute cannot be thereby resolved, the grievance shall be reduced to writing within fourteen (14) calendar days of the time that the employee or Union knew or should have known of the alleged violation. If the Union decides to grieve the complaint or dispute, the Union shall present the written grievance to the Public Safety Director.

Step 2: If notification is given, then the Union and the Public Safety Director shall meet within seven (7) calendar days of that notice. The Public Safety Director shall provide the Union with a written response within seven (7) calendar days of that meeting. If the grievance is not resolved to the Union's satisfaction at step 2, then they shall present a written statement of the grievance to the City Manager.

Step 3: A written statement of the grievance will be submitted to the City Manager within ten (10) calendar days of receipt of the denial of the grievance at Step 2. The City Manager shall schedule a meeting to discuss the grievance within seven (7) calendar days of receipt of the written statement of grievance. The City Manager shall provide a written response to the Union of his/her decision within fourteen (14) calendar days of the meeting.

7.7 In the event that the grievance is not resolved in Step 3 above, the Union shall within fourteen (14) calendar days provide a written request for arbitration to the City. If such grievance is not referred to arbitration within fourteen (14) calendar days of the written answer provided for in Step 3, the grievance shall be considered settled on the basis of the final decision rendered to the aggrieved party.

7.8 At each step, the time requirements may be extended by mutual agreement. Failure of either party to follow the time limits herein shall allow the other party to proceed to the next step, if they so choose.

7.9 If the Employer and the Union fail, after exercise of due diligence, to agree on an arbitrator, a list of eleven (11) arbitrators shall be requested from the American Arbitration Association. The parties shall thereupon alternate in striking a name from the panel until one name remains. The person whose name remains shall be the arbitrator.

7.10 Any decision by the arbitrator shall be final and binding upon the parties. It is understood and agreed that the arbitrator shall not have any power to add to, alter, or amend any of the provisions of this Agreement or issue any award on a matter not raised in the grievance filed by the Union, but shall be authorized only to interpret existing provisions of this Agreement as they may apply to the specific facts of the issue in dispute.

7.11 Each party to any grievance submitted to arbitration shall bear the expense of preparing and presenting its own case, including witnesses.

The expenses of the arbitrator shall be borne by the non-prevailing party.

ARTICLE 8 - SENIORITY AND PROMOTIONS

8.1 Seniority is the length of continuous non-temporary service of an employee with the Department of Public Safety. Seniority will be broken if the employee resigns, retires, becomes unavailable for work because of an unauthorized absence, is discharged for cause, or is not actively employed for a period of 180 calendar days for any reason other than injury, pregnancy, maternity or illness, where the employee is reasonably expected to return to work.

8.2 Acting appointments, including scope of duties and span of authority, shall be made at the discretion of the Public Safety Director.

8.3 In all cases, promotions shall be made at the discretion of the Public Safety Director.

ARTICLE 9 - PROBATIONARY PERIOD

9.1 The probationary period for all new bargaining unit employees shall be twelve (12) months.

9.2 Employees who accept a promotion out of the bargaining unit are entitled to return to their former position in the unit, where available, if they do not successfully complete probation in the promoted position. If the employee's former position is not available, the promoted employee shall have first preference to occupy any vacant unit position for which the employee is qualified.

9.3 The City may discipline or discharge probationary employees at any time for any reason.

9.4 Each employee shall normally be evaluated midway through the initial probationary period.

9.5 Employees promoted within the unit shall serve a six (6) month probationary period, but shall remain subject to the “just cause” provisions of this Agreement during that period.

ARTICLE 10 - LAYOFFS

10.1 The City has the right to lay employees off. The Public Safety Director shall give written notice to all employees and the Union of any proposed layoffs. Such notice shall state the reasons therefore. Employees certified by the Alaska Police Standards Council who are laid off shall be given either 30 days written notice before being laid off or, if such notice is not provided, 160 hours of severance pay. Non-certified employees who are laid off shall be given either 14 days written notice before being laid off or, if such notice is not provided, 80 hours severance pay.

10.2 All layoffs shall be made on the basis of seniority within each job classification. When the force is increased after layoff, employees will be recalled in inverse order of the layoff. Notice of recall shall be sent by the City to the employee at the last known address by registered mail or certified mail. If the employee fails to report to work within fourteen (14) days from the date of the mailing of the notice of recall, he or she shall be considered to have voluntarily resigned.

ARTICLE 11 - TRAVEL ALLOWANCE

11.1 Upon completion of twelve (12) months of continuous service and once during each fiscal year through the expiration date of this contract, each regular full-time employee shall receive a travel allowance in the amount of \$1,500. The travel allowance benefit for regular part-time employees shall be computed at a portion of an equivalent full-time position. The proportion shall be computed by dividing the number of actual hours in pay status, excluding overtime, in the previous year of a part-time position by the normal work hours of an equivalent full-time position. The travel allowance is included with the paycheck following the employee’s anniversary date or on the employee’s anniversary date if that day is a payday. Temporary employees are not eligible for this benefit.

11.2 A. To encourage long term employment with the department, on the employee’s three (3) year anniversary, the employee will receive a \$3,000 bonus; on the employee’s four (4) year anniversary, the employee will receive a \$4,000 bonus and on the five (5) year anniversary, the employee will receive a \$5,000 bonus; on the employee’s eight (8) year anniversary, the employee will receive an \$8,000 bonus; on the

employee's ten (10) year anniversary, the employee will receive a \$10,000 bonus; on the employee's twelve (12) year anniversary, the employee will receive a \$12,000 bonus.

11.2 B. Retroactive Bonus: Current staff members will receive retention bonuses on their anniversary date per Addendum #2, beginning January 1, 2019.

ARTICLE 12 - LEAVE

12.1 Personal Leave

- A. Regular full-time employees represented under this bargaining unit who began employment with the City on or after July 1, 2001 shall accrue personal leave commencing with their date of hire in any non-temporary position at the following rates:
- (1) First and second years of service beginning on the date of hire and ending on the date before the second anniversary date: 16 hours per month.
 - (2) Third and fourth years of service beginning on the second anniversary date and ending on the day before the fourth anniversary date: 20 hours per month.
 - (3) Fifth and sixth years of service beginning on the fourth anniversary date and ending on the date before the sixth anniversary date: 24 hours per month.
 - (4) Seventh and eighth year of service beginning on the sixth anniversary date and ending on the date before the eighth anniversary date: 28 hours per month.
 - (5) Ninth year of service and beyond beginning on the eighth anniversary date and ending on the date of separation from City services: 32 hours per month.
- B. Regular full-time employees of the City who transfer into this bargaining unit shall be placed in the leave accrual tier that the transferred employee was receiving on their date of transfer into this unit and will continue to accrue personal leave at that tier and rate.
- C. Personal leave accrual while employee is on paid leave: Personal leave continues to accrue during the period of time an employee is on paid leave. Personal leave does not accrue during the time an employee is on leave without pay.
- D. Computation of personal leave accrual for regular part time employees: All

- regular part-time employees who work at least 20 hours per week shall accrue personal leave at a proportion of an equivalent full-time position. The proportion shall be computed by dividing the number of actual hours in pay status, excluding overtime, in the current pay period of a part-time position by the number of normal work hours of an equivalent full-time position. All regular part-time employees who work less than 20 hours per week shall not accrue personal leave.
- E. Personal leave accrual does not apply to temporary employees. Employees hired by temporary appointment shall not accrue personal leave.
 - F. If an employee's accrued personal leave exceeds seven hundred sixty-eight (768) hours on December 15, personal leave in excess of seven hundred sixty-eight (768) hours shall be cashed out and included in the employee's paycheck for the period ending December 15. Employees will not lose leave or stop accruing leave under this process. This payment for unused personal leave in excess of seven hundred sixty-eight (768) hours does not affect the twice-yearly leave cash-out provisions outlined in subsection K of this Article.
 - G. Use of personal leave for sick leave purposes: Accrued personal leave shall be used when the employee is sick or injured both during and after the employee's probationary period. Any absence on personal leave for sick leave purposes may be required to be certified by a licensed medical professional.
 - H. Personal leave bank: An employee may voluntarily donate unused personal leave he/she has accrued to another employee of the City who is seriously ill or injured, or has an immediate family member who is seriously ill or injured, or is attending to a death in his/her immediate family requiring absence from work for more than twenty (20) consecutive days and has exhausted all his/her personal leave. Personal leave that is being donated under this Section shall be donated at the donating employee's current rate of pay and that sum of money shall be paid to the City employee to whom the personal leave is being donated. The donated personal leave shall be subject to all taxation and contributions required of all payroll compensation and shall be borne by the employee to whom the personal leave is being donated. Any unused portion of donated leave remains with the employee receiving the donation.
 - I. Use of personal leave for purposes other than sick leave: An employee may use accrued personal leave for purposes other than sick leave upon successful completion of six (6) months of continuous employment with the City; however, an employee may be granted early personal leave benefits for purposes other than sick leave due to extraordinary circumstances, as determined by the Public Safety Director and approved by the City Manager. The employee has the right to use accrued personal leave for purposes other than sick leave, but he/she does not have the right to determine when personal leave may be used for those purposes. Regular employees shall be allowed to use any amount of accrued leave for non-

sick leave purposes at any time desired that will not be detrimental to department operations, as determined by the Public Safety Director. The longer the period of leave requested for non-sick leave purposes, the longer should be the advance notice to enable scheduling in no case less than ten (10) days.

- J. Amount of personal leave that must be taken annually for purpose other than sick leave: At least eighty (80) hours of leave must be used after the first complete fiscal year worked and every fiscal year thereafter. Employees shall be entitled to take up to thirty (30) working days of leave at one time. However, when in the opinion of the Public Safety Director it is not feasible nor in the best interest of the City to grant leave to an employee, the annual personal leave use requirement shall be temporarily suspended in such cases.
- K. Personal leave cash in: After twelve (12) months continuous employment an employee may cash in personal leave two times per fiscal year, with reasonable notice to the City, provided that the employee shall retain at least eighty (80) hours of leave in his/her account. Cash in lieu of personal leave shall be subject to all taxation and contributions required of all payroll compensation.
- L. Emergency personal leave cash in: In addition to the provisions in Section 12.1(K), cash in lieu of accrued personal leave may be obtained under emergency conditions when requested in writing by the employee and approved by the City Manager. "Emergency," as defined in this section, means a critical situation over which neither the employee nor the City has control. Cash in lieu of personal leave shall be subject to all taxation and contributions required of all payroll compensation.
- M. Personal leave payment upon termination: Upon termination, accrued personal leave shall be paid in a lump sum to all employees with twelve (12) months of continuous employment with the City. The hourly rate to be used in computing the cash payment shall be the rate paid to the employee on the date that the separation notice is given to the employee or the effective date of the resignation notice. Cash in lieu of personal leave shall be subject to all taxation and contributions required of all payroll compensation.

12.2 Leave Without Pay

- A. Leave without pay may be granted to an employee upon recommendation of the Public Safety Director and approval of the City Manager. Each request for such leave shall be considered in light of the circumstances involved and the needs of the Public Safety Department. Leave without pay shall not be requested nor granted until such time as all accrued personal leave and floating holidays have been exhausted, except when an employee is absent and drawing workers' compensation pay. Usually not more than ten (10) days of leave without pay may be granted for personal reasons. This time restriction does not apply to requests made under the Family and Medical Leave Act or the Alaska Family Leave Act. Such

provisions and leave time available to eligible employees is governed by these Acts and current City policies as noted in Article 12.7.

- B. Leave without pay for education purposes: Leave without pay may be authorized to include time to complete formal undergraduate or advanced degree requirements. Employees who have demonstrated above average performance with the City for a minimum of two years shall be considered for such leave, providing the work situation permits a temporary absence without serious effect upon the department's schedule of activities. A maximum of one year of college work with an accredited college or university may be granted in such cases. Should an employee voluntarily terminate prior to working one year after completion of an approved training program, other than a mandatory program, the employee shall reimburse to the City all costs directly related to the training program. No benefits shall accrue while on this type of leave without pay.
- C. Benefits do not accrue while on leave without pay, except insurance, which will continue only through the end of the month in which leave without pay is initiated.
- D. Change of anniversary date because of leave without pay: If an employee uses more than ten (10) calendar days total leave without pay during an anniversary year, his/her anniversary and length of service dates shall be advanced by the number of days such leave without pay exceeds ten (10) days.

12.3 Unauthorized Leave

Any absence not authorized and approved in accordance with this Agreement shall be without pay for the period of absence and may be grounds for disciplinary action.

12.4 Military Leave

Employees shall be granted military leave consistent with applicable law.

12.5 Workers' Compensation Leave

Employees shall be granted workers' compensation leave to the extent required by the Alaska Workers' Compensation Act.

12.6 On The Job Injury Leave

- A. The Union and Employer jointly agree that the intent of this provision is to recognize the unique nature of fire and police work and is meant to protect and support Public Safety employees in the event of a serious or

catastrophic injury received in the line of duty during a given year. It is further understood by both parties that all other work-related injuries, which qualify a member for Workers' Compensation, will not be covered under this provision and will be handled through the City's standard Workers' Compensation process.

- B. Regular full-time employees may qualify for injury leave in the event of a serious injury received in the line of duty. Injury leave will be granted for up to twelve (12) consecutive months from the date of initial injury for a regular full-time Department employee who has suffered a serious injury in the line of duty and which qualifies them for Worker's Compensation. Probationary employees are not eligible for injury leave. For purposes of this provision, "an injury in the line of duty" means only:
- 1) An injury received due to the actions by another person to inflict serious injury or death on the employee, or
 - 2) While responding to an official call in accordance with Departmental policies and emergency response protocol, or
 - 3) While actively fighting a fire.
- C. For the purposes of this provision, the definition of "a serious injury" used in the Alaska Statutes relating to the crime of Assault shall apply:
1. A physical injury caused by an act performed under circumstances that create substantial risk of death, or physical injury that causes serious and protracted disfigurement, protracted impairment of health, protracted loss or impairment of the function of a body member or organ, or the unlawful termination of a pregnancy.

Injury leave will not be available to an employee who has received a serious injury in the line of duty due to their own negligence, or who was not following authorized Departmental policies and procedures.

Six (6) months after the first day of absence as defined by Workers Compensation, all unused personal leave and floating holiday leave will be utilized and run concurrently with on the job injury leave. While on injury leave, any benefits allowed under the Family and Medical Leave Act or the Alaska Family Leave Act must be used and shall run concurrently. All Workers' Compensation payments made to the employee must be turned in to the City prior to receiving injury leave pay from the City.

An employee who qualifies for injury leave as defined by this provision and is eligible to cash in personal leave as outlined in Section 12.1 K-M of this Article, may do so at the start of the injury leave. However, the value of any cashed-in leave will be deducted from the total number of days the City is obligated to provide for the employee over the total twelve (12) month period.

For the duration of injury leave, employees will be paid at their base rate of pay in effect at the start of injury leave and will continue to accrue personal leave and floating holiday leave. The employee's annual travel allowance payment will be prorated based on the actual number of hours worked in the year in which injury leave is granted. The Employer will continue to provide health insurance and make required employer payroll contributions for the duration of on the job injury leave. A maximum of twelve (12) consecutive months of injury leave will be granted under this provision.

During such leave, employees may be assigned work at the discretion of the Department unless such work assignments adversely affects the nature of the injury. If there is a disagreement between the City and the employee as to whether the employee has suffered "a serious injury" or is able to perform work assigned at the discretion of the Department, such dispute shall be submitted to and resolved by a health care professional selected by the Employer. The decision of this health care provider as to whether the employee has suffered "a serious injury" or whether the employee is able to perform work assigned at the discretion of the Department will be determinative, so long as the decision is not arbitrary, capricious, or made in bad faith. If an employee disagrees with a determination by the health care professional that the employee is capable of performing work assigned at the discretion of the Department, the employee may elect not to accept the assignment, but the employee's entitlement to paid injury leave under this provision shall terminate. Should it be determined that the employee will not be eligible to return to full duty and applies for retirement, and retirement is granted prior to the twelve (12) month expiration of on the job injury leave, the Department's obligation under this provision shall terminate.

12.7 Family Leave

An eligible employee may take family and medical leave consistent with applicable federal and state laws and existing City policies. All unused accrued personal leave and floating holiday leave must be used first. Thereafter, such leave will be without pay.

12.8 Death in Immediate Family

- A. Immediate family, for the purpose of this Section, shall be defined as follows: the employee's spouse, child, father, mother, brother, sister, grandparents, father-in-law and mother-in-law. It also means other family members who reside permanently with the employee.
- B. Recognizing that the make-up of some families do not conform with the standard definition above, an employee may provide the Employer with the names of relatives who acted in a parental capacity in lieu of the natural parents. The Employer shall provide forms for the recording of "immediate

family” members for each covered employee, to be placed in his or her personnel file to document the full extent of each employee’s “immediate family.”

- C. Paid bereavement leave not to exceed seven (7) days may be used upon the death of the employee’s family members as defined. Bereavement leave will not be deducted from the chargeable leave account.

12.9 Court Leave

A. Jury duty: Jury duty shall be treated as jury leave, without loss of seniority, personal leave or pay. In order to be entitled to jury leave, the employee shall provide the Public Safety Director with written proof of the requirement of his/her presence for the hours claimed. Fees paid by the court, other than travel and subsistence allowances, while the employee is on jury leave shall be turned into the City. For jury duty that occurs on the employee’s normal non-work days, fees paid by the court may be retained by the employee.

B. Witness service: Service in court when subpoenaed as witness on behalf of the City, or when called by the City as an expert on a matter of City concern or relating to a municipal function, will be treated the same as jury duty. Witness service for purposes other than just described will be covered by personal leave or leave without pay, and any fees received in this connection may be retained by the employee.

12.10 Business Leave Bank

There is hereby created a Business Leave Bank for the sole and exclusive use of the Unalaska Police Department Bargaining Unit. The Bank shall be administered and managed solely by the Unalaska Police Department Chapter of the Union and subject to periodic audits by the employer. Each audit shall be preceded by written notice, at least forty-eight (48) hours prior to the audit. Audits shall not be more frequent than twice each calendar year.

The first eight (8) hours of accrued personal leave of all new Unalaska Police Department Bargaining Unit members shall be transferred to the Unalaska Police Department Chapter Leave Bank. Any additional leave transfers shall be in no less than one-hour increments.

Upon request from the Union Business Manager, the Employer shall transfer from one (1) to eight (8) hours from each bargaining unit member’s personal leave account to the Chapter Leave Bank.

The Union agrees that it will not use the Leave Bank for any purposes other than bona fide Chapter business. Requests for absence from duty for Business Leave shall be made by the President of the Unalaska Police Department Chapter or the

Union Business Manager and addressed to the appropriate City Administrator as designated in writing by the Employer. Each request will state specifically the purpose of the absence.

Requests for absences for Unalaska Police Department Chapter business shall not be unreasonably denied.

The Union agrees that it will not use the Leave Bank for any purposes other than bona fide Union business. The Union further agrees that the Leave Bank balance is not returnable to the personal leave accounts, not transferable to successor bargaining agents, and has no cash value upon decertification.

ARTICLE 13 – FLOATING HOLIDAY BANK

13.1 The following holidays shall be recognized as floating holidays:

New Year's Day
Martin Luther King's Birthday – Third Monday in January
Lincoln's Birthday – February 12
President's Day – Third Monday in February
Seward's Day – Last Monday in March
Memorial Day – Last Monday in May
Independence Day
Labor Day
Alaska Day – Last Monday in October
Veteran's Day – November 11
Thanksgiving Day
Christmas Day

13.2 The City of Unalaska recognizes twelve holidays (nine regular and three floating). All regular full-time employees will receive these twelve holidays as floating holidays. Regular full-time employees will be credited the hours for these days in two increments. The first will be on January 1st, the second on July 1st. On each of those dates, regular full-time employees will receive a credit of forty-eight (48) hours in their floating holiday bank, six holidays at eight (8) straight time hours per holiday.

13.3 All floating holiday hours must be used by December 31st of each year. Hours not used by this date will be cashed out to the employee in the pay period ending December 31st. This cash out will be based on the employee's rate of pay on December 31st and will not be counted as one of the employee's Personal Leave cash outs. Employees must be employed with the City on December 31st to receive the cash out for unused floating holiday hours.

13.4 At a time agreeable to both the employee and the City, the employee may take floating holiday hours as time off with pay on an hour-for-hour basis.

13.5 When an employee is scheduled to work a recognized City holiday, s/he shall receive the applicable regular rate of pay for those hours, not the overtime rate. Under this amendment, overtime shall be paid to employees working a recognized City holiday only when circumstances necessitate the employee to extend work hours past the scheduled end of the shift, where the additional hours would place the employee in overtime status.

13.6 A Employees who voluntarily terminate employment with the City may be provided the opportunity to use available floating holiday hours prior to their final termination date; at Management's discretion however, the employee must be at work on their last day of service with the City. Scheduled floating holiday hours will be coordinated with management to prevent or minimize schedule disruption.

13.6 B Employees who voluntarily terminate employment with the City who are unable to use any accrued floating holidays before their termination date will be permitted to cash out those unused days at a prorated rate.

13.10 Regular part-time employees shall receive floating holiday leave bank hours computed on the proportion of actual hours worked, excluding overtime, during each 6 month period between January 1st through June 30th and July 1st through December 31st to the number of normal duty hours worked by a full-time position.
